## June is our Poetry Month!!!

Congratulations to Stephanie Momanyi (10th) winner of our 3rd Annual High School Poetry Contest. Students competed in the first round of this competition in their respective 9th–11th grade classrooms after spending several weeks listening to oral performance of poetry, choosing a poem, analyzing and memorizing their selection. From each class, the top two scoring students were chosen to participate in the final round, where they performed their recitation in front of a panel of judges. The prize for the first place is a 50 euro gift certificate for El Corte Ingles.

## Final exams start this month

11th grade students will begin their final exams on June 14th , while 9th and 10th graders will start on the 17th. Students may take up to two exams per day. Exams will cover material that students have been learning in school during the second semester, with the exception of certain subjects: mathematics, grammar, etc., which are cumulative in nature. Final exams will be worth 20 % of the students' second semester grade.

## AWARDS CEREMONY

As last year, we will close our school year with an outdoors pizza lunch, during which we will be recognizing students for their leadership, academic results, and improvement record.

The Study Abroad Program is happy to welcome Etienne De Villiers, a Sophomore, and Maya Goury a Freshman, from Dallas International School, to Aquinas for a one month exchange. We wish them all the best in this adventure they have undertaken, to learn about the Spanish culture and language.
