PRINCIPAL'S CORNER

I hope that you all had a wonderful Semana Santa and happy Easter!

We know that this has been an extremely challenging year in many ways and we sincerely appreciate the ongoing support in making this the best possible academic year.

Ms. Ledesma, the school nurse and point person for COVID, is sending out regular emails with important information related to COVID protocols and any changes made to the policies. Please keep an eye out for the emails to stay up-to-date.

Additionally, please ensure that all of your contact information and personal details are updated on RenWeb. If you notice anything that needs to be changed, please notify Iris in reception via email. Thank you.

Best wishes,

Mr. Trevor Sargent

WORLD BOOK DAY - APRIL 23rd

World Book Day is an event organized by UNESCO to promote reading and publishing. It is celebrated every year on April 23rd. We are organizing activities during the school day in the middle school for our students to engage in this celebration. Stay tuned for more information!

Second Semester Halfway Point

We are quickly approaching the halfway point for the second semester. Students should be working closely with their teachers and checking in on RenWeb regularly to make sure that they are on the right path. Please do not hesitate to reach out with any concerns that you may have regarding the academic progress of your child. The academic policy, including academic progress and grading practices, can be found in the school handbook posted on RenWeb.

Welcome New Families

We would like to welcome the López Barahona and the Pérez Núñez families to the AAS community!

Second Semester Exams

Final exams will take place the last week of school, from the 14th to the 17th of June. Detailed schedules will be sent out by the advisors at the beginning of May.
