The Admissions Fee is a one-time fee applied to new families for their first year at AAS. This fee is mandatory and non-refundable. **The Admissions fee is waived only for new families enrolling at least one child in Kindergarten.**

The Registration Fee is an annual, mandatory and non-refundable fee per student. Payment of the Registration Fee guarantees that there will be a place in the class for the student but it does not represent a formal admission until the family has provided the official documents and complied with AAS' admissions requisites.

The Deposit Fee per student is to ensure that all payments have been made. This deposit will be returned, once the student leaves the school and all financial obligations have been met.

Upon enrollment, it is mandatory to choose one method, but you may change it in the future by emailing Ms. Alejandra Gentico in our administration department at administracion@aquinasmadrid.es.

A) Full Upfront Payment

A 4% discount will be applied on tuition fees received before July 1st (lunch and transportation fees do not apply).

B) Direct Debit

The cost of the annual fees (tuition and transportation fees) can be divided into 9 **monthly payments (K1 – G11)** due from September to May and **8 monthly payments for Grade 12** due from September to April **only by direct debit**. Lunch fees will be charged in 3 equal payments in September, January and April.

In either case, **it is mandatory to provide a Spanish bank account in order to debit other fees like lunch, transportation, books, etc. No student will be accepted for enrollment without direct debit.**

Please note that parents are liable for all bank charges incurred. All international wire transfers will be received in a net amount.
